The Board of Selectmen, at the request of Woodbrook Camp and Tennis Club, has officially 911 numbered all buildings within Woodbrook. This project was conducted by the NH Bureau of Emergency Communications Mapping Unit.

**Please be advised that the following 911 street address number has been issued by the State of NH for your building:**

**The effective date of your new street address is APRIL 15, 2010**

Per the Town of Fitzwilliam Building/Dwelling Number ordinance, this number must be displayed in a visible location. For primary buildings readily visible from the street, the number shall be conspicuously displayed on the side of the building facing the street. These numbers must be a minimum of 2 ¾" high and 1 ½" wide and of contrasting color to the means of support (i.e. a different color than the color of your building).
